DRAG MEET

More than 500 acceleration aces and pre-teen youngsters who drive quarter-midget race cars, will compete in the afternoon-night and all-day Sunday show to comprise the second All-Western Grand Prix Drag meet this week end, at LADS.

Star performers in the loaded field are expected to be 25 of the super-hot gas dragsters, out to crack 150-m.p.h. on the big runway at 223rd St. near Alameda Ave.

Mixed with the multi-class racing array, however, will be 125 stock automobiles (circa 1940 to 1958). Record-holder thus far is Butch Taylor with a '58 Chevy.

Junior Keglers Hand South Bay Second Defeat

The re-cap sheet turned in for the third match between Bowl-O-Drome's squad of Junior hot-shots and young keggers of South Bay looked more like National All Star competition with Bowl-O-Drome wracking up a rousing 2879 series for the second win against cross-town rivals.

El Camino Wrestling Coach Named President of Group

David J. Hengsteler, El Camino College wrestling coach, was named president of the Western Division of the newly organized Southern California Amateur Wrestling Coaches and Officials Assn. at an organizational meeting last week on the El Camino campus.

Twenty-five representatives of Southland colleges and high schools attended the initial meeting of the group. The western division comprises the area west of Whittier to the coast and Costa Mesa north to Santa Monica, Hengsteler stated.

Promotion of amateur wrestling to the degree where member schools and colleges may

offer increased strength in national and Olympic competition is the primary purpose for the founding of the new group, the El Camino coach added.

Four-year colleges and universities have joined the junior college and high school coaches in the organization.

Plans for the organization include a drive for a standardization of officiating and the sponsorship of clinics to assist new coaches to learn new techniques in teaching wrestling. The coaching and officiating clinics conducted to date have attracted more than 30 coaches from the entire Southern California area. It was the establishment of the clinics which led to the formation of the organization, Hengsteler said.

Don Cogswell of Mira Costa High School was elected secretary-treasurer of the group. Mike Burley of Redondo High School will serve as vice president. Each will serve for a term of one year.

Motorcyclists Swing In Action Tomorrow

A big segment of the nation's leading motorcycle riders will swing into action tomorrow evening at Garden Stadium for J. C. Agajanian's weekly card of American Motorcycle Association-sanctioned racing.

Time trials start at 7, the first race on the 15-event card at 8:15.

The field includes a dozen national-ranking standouts, including the red-hot George Everett. The tall Pasadena handlebar jockey has spurred off the seasonal lead and spurred off to the seasonal lead and seems bent on extending his margin.
